S260

I have to state that the posts of Medical Officers in the Primary Centres in the Community Project areas have been ordered to be treated as temporary addition to the cadre of Assistant Surgeons in the Madras Medical Service and the disciplinary control over such Medical Officers and other medical staff has been transferred to the Director of Medical Services with reference to the orders issued in G.O.Ms.No. 1293 Public dated 6-8-1954. Dr. P.N.R. Shetty, Medical Officer, Public Health Centre, Bajpe in his petition dated 1-10-1954 to the Director of Community Projects, Madras has stated that he was holding full additional charge of the post of Medical Officer, Primary Health Centre, Hebri from 24-12-1953 afternoon to 18-9-1954 forenoon and that he may be paid the additional charge allowance admissible to him. His petition is enclosed in original for information of the Government.

In as much as Dr. P.N.R. Shetty was holding additional charge of the post of the Medical Officer, ~~Public~~ Primary Health Centre at Hebri he is eligible for the payment of additional remuneration for the work. But it is observed from the letter of the Assistant Surgeon and orders of the Project Executive Officer that Dr. Shetty had been asked to visit Hebri once a week and remain there for 2 days. It has also been reported by the District Medical Officer, South Kanara that the Medical Officer had drawn travelling allowance for his visits to Hebri. Further he had stopped his work at Bajpe whenever he visited Hebri to render medical aid. As such, the question of granting him additional charge allowance under Fundamental Rule 49, does not arise. I, however, consider that a fixed remuneration may be paid to him for the additional strain and responsibility. Accordingly, I recommend that an honorarium of Rs.30/- per mensem may be sanctioned to him for the period during which he performed the work at Hebri.

I request that necessary orders of Government may be issued in the matter.

Yours faithfully,

For Director of Medical Services.
